

# EasyLED The Dot DW5E

## PRODUCT OVERVIEW

The modern-urban inspired Dot provides accent wall wash pattern illumination with a contemporary flair. The Dot's long-lasting LEDs lifespan is ideal for Architectural Accent Lighting to create a compelling exterior façade for years to come. The specially designed 120° and 180° shields transform The Dot into an Up or Down light.

The die cast aluminium housing is finished with a weather-resistant textured powdercoat finish providing years of service. The precision vandal-resistant, UV-stabilised polycarbonate optical lens produces a Type V distribution and protects the internal components. Available with 16 or 17 Watt EasyLED arrays in three colour temperatures (3000K, 4000K and 5000K), which produce up to 760 delivered lumens. Designed to replace outdated HID systems, with an energy savings of 80% or more versus comparable Metal Halide systems.

### CONSTRUCTION

Die cast aluminium  
Polycarbonate lens  
Textured architectural powdercoat finish  
No glass lenses

### EFFICACY

Up to 40 lumens per watt  
Excellent thermal management for LED longevity  
80% energy savings over traditional metal halide

### DRIVER

1-10V Dimmable Driver  
CE Certified Driver  
2kV Surge Protection Standard

### APPLICATIONS

Retail Centres  
Restaurants  
Hotels  
Schools & Universities  
Office Buildings  
Medical Facilities

### EXTRAS

120° & 180° Shields are Available

Shown with 180° Shield

Catalog Number: DW5OEQF1X17U\*C♦ (\*3K, 4K, 5K)
