ABOUT QSSI

Commercial & Industrial Outdoor Lighting

We are dedicated to providing our customers with a high-quality product that is recognized as such within the industry and to do so every time! Our project management teams in the US and China stand ready to reply promptly and accurately to your inquiries. We look forward to the opportunity to build a relationship based on longevity and trust.

Our philosophy is simple—we will consistently offer our customers a high-quality product and treat them like we would want to be treated. We strive to develop long-term relationships with our customers and provide them with a better customer experience. Our employees are trained in our “Best in Class” Customer Care program. We will work hard to make every interaction with QSSI a positive one.

ASSEMBLY IN THE US

QSSI has five stocking and assembly facilities that provide custom wiring and painting with quick shipments to any part of the US and UK.

Our products are manufactured from top-quality materials to provide years of trouble-free service.

5 USA Locations:

Tampa, FL
Memphis, TN
Vancouver, WA
Walden, NY
Cerritos, CA

(813) 855-9416

A STRONG PARTNER

Proven Stability and Tenure

In an environment of rapid product innovation, industry consolidation, and company closures, it is important to partner with forward-looking, sustainable companies like QSSI. Established in 1985, QSSI is a company with tenure and proven stability that sets us apart from other suppliers.

QSSI has its own tooling for our existing product line. We are also custom designers and manufacturers for our OEM customers. In addition, we own our U.L. and CSA certifications for the US market and U.L., CE, GS, and TUV files used for the international market. All of our products comply with these strict standards.

We offer warranty-worthy products with proper thermal management, balanced LED boards to match power supplies, environmentally sealed optics with tested performance, and full safety compliance and testing.

A TRUE MANUFACTURER

From Raw Materials to Finished Goods

QSSI is a true manufacturer with over 37 years of experience in electrical and lighting products. Our lighting products are manufactured from top-quality raw materials to finished goods, which allows us to control the product specifications and quality we provide, a product with years of trouble-free service.

We manufacture all of our own LED luminaires, arrays, and optics. Standard fixtures can be customized to meet customer project requirements. Our skilled production personnel assembles all LED fixtures to the exact configuration required.

Our vertically integrated manufacturing includes: engineering, mechanical and optical design, automated die casting, automated sanding and polishing, stamping and fabrication, powder coating and pretreatment, assembly, SMT LED, thermal and photometric testing.

SUSTAINABILITY

We have been in business for over 37 years, and we are committed to being here for the “long haul,” providing current and future value to our customers by managing and investing in our manufacturing capabilities and human resources for long-term success.

In addition to controlling the manufacturing of our products, our U.S. facilities provide customers with:

- Full assembly and fixture customization
- A large level of inventory in all locations
- Our 98-3-1 Quick-Ship Program:
 - > 98% Fill Rate
 - > 3-Day Lead Time
 - > 1 Item Minimum Order Quantity
