

# EasyLED The Dot DW5

## PRODUCT OVERVIEW

The modern-urban inspired Dot wall luminaire provides accent wall wash pattern illumination with a contemporary flair. The Dot's long-lasting LEDs lifespan is ideal for Architectural Accent Lighting to create a compelling exterior façade for years to come. Specially designed 120° and 180° shields are available to transform The Dot into an Up or Down light.

The die cast aluminum housing is finished with a weather-resistant textured powdercoat finish providing years of service. The precision vandal-resistant, UV-stabilized polycarbonate optical lens produces a Type V distribution and protects the internal components. Available with 10-17 Watt EasyLED arrays in three color temperatures (3000K, 4000K and 5000K), which produce up to 760 delivered lumens. Designed to replace outdated halogen and compact fluorescent systems, with an energy savings of 80% or more versus comparable Metal Halide systems.

### CONSTRUCTION

Die cast aluminum  
Polycarbonate lens  
Textured architectural powdercoat finish  
No glass lenses

### EFFICACY

Up to 40 lumens per watt  
Excellent thermal management for LED longevity  
80% energy savings over traditional metal halide

### DRIVER

1-10V Dimmable Driver  
120-277V, 50/60Hz  
2kV Surge Protection Standard

### APPLICATIONS

Retail Centers  
Restaurants  
Hotels  
Schools & Universities  
Office Buildings  
Medical Facilities

### EXTRAS

120° & 180° Shields are Available

Shown with 180° Shield

Catalog Number: DW5OQF1X17U\* $\blacklozenge$  (\*3K, 4K, 5K;  $\blacklozenge$ B=Black, Z=Bronze)
