

READY TO SHIP!

QSSI is a true manufacturer of LED luminaires with 36 years experience in electrical and lighting products. Adhering to our "Never Run Out" philosophy, we are continuously increasing our extensive inventory levels to meet today's supply chain challenges. Products are in stock and ready to ship directly to your job site from our Shropshire location. Using the most trusted freight companies, QSSI UK provides quick service anywhere in the United Kingdom with a 98% fill rate and a 1 piece minimum order. All fixtures are assembled by our skilled production personnel to the exact configurations needed for your project according to all required safety standards. Standard fixtures can be customised to meet customer's project requirements. Before leaving our facility, all fixtures are 100% tested to guarantee complete customer satisfaction. Our rapid ship programme allows us to proudly deliver products when you need them.
